- Kungsträdgården
- Tomelilla
- Denmark, Copenhagen
- Parkhemsskolan
- Barkarbystaden
AUTONOMOUS SHUTTLES?

• WHY?

• Customer need to fulfill today?

• Customer need to fulfill tomorrow?

What is your answer for the questions above?
• Passengers need for transport must be translated to when and where we use the shuttles.

• The trip with the shuttles must fulfill a purpose and make everyday travel more easy.

• Operations without operator onboard.
