Three roles

FINANCIER

NATIONAL EU NODE

EXPERT AGENCY
**Bpifrance**, a public investment bank, is the trusted partner for entrepreneurs

**Bpifrance** finances businesses from the seed phase to transfer to stock exchange listing, through loans, guarantees and equity. **Bpifrance** accompanies firms developing export activities and provides support for their innovation projects. **Bpifrance** also insures, now, their export activity through a large range of products*.

Consulting missions, training days, networking and acceleration programs have become an important part of the offer we propose to entrepreneurs.

* **Bpifrance Assurance Export** insures, on behalf of the State and under its control, your business overseas.

** in 2017.
THE PARTNERSHIP COVERS:

- Green transports, Energy and Smart Cities
- Green Finance
- Digitalisation and Start-ups
- Life Science
Purpose of the FR-SE call

Leverage our respective funding agencies to create:

• Increased R&D-collaboration
• Synergies between FR and SE ecosystem
• Develop and test new products, services or methods
• Strong consortia for future R&D-projects
Scope

Smart Mobility: Innovations for a digitalized and automated transport system

*Focus area should be how connected, shared and automated vehicles can contribute to more accessible, sustainable and efficient transport systems.*
THE NETWORK
